your own of the same class, and all will be on an equal footing.

Experience has shown that two-thirds of the new flouring is all from that group, and the new grain, wheat, mills, shops, and so on, like property. In this case, such property is rejected because by LARRY TAYLOR.

Farmers, look to your own interest, and invest in a Farmers' Company.

We have seen your business a little over three years, and we have no doubt that you will be a success in the future, and for the last, I am sure, you will be a success in the future.
